STUDENT SELECTION			
Student Name		Alberta Student Number	
School year for which the bursary is being provided From _____ To _____			
I have selected the student based on the criteria: <ul style="list-style-type: none"> Is a resident of Alberta for 12 consecutive months before the start of your program. Is enrolled fulltime in a post-secondary program that is designated for provincial funding. Is not receiving employment insurance (students may not be eligible if they are receiving a training allowance during their studies). Is committed to live and work in northern Alberta for a specified amount of time upon graduation. Has reasonably good prospects for employment in northern Alberta after graduation. 			
I also selected the student with consideration given to the additional criteria:			
STUDENT SCREENING			
I understand that the student application will be screened by the NADC and Innovation and Advanced Education based on the following: <ul style="list-style-type: none"> Students cannot receive an NADC Bursary and a Partnerships Bursary, or multiple Partnerships Bursaries exceeding \$3,000 in NADC funds during the same academic year (maximum \$1,500 for half year of study). Students must not be in default of a provincial student loan. Students must have an arm's length relationship to the sponsor. The student must not be related to the sponsor, and selection of the student is completed through impartial means. Please call the NADC for clarification of "arm's length". 			
RETURN SERVICE COMMITMENT			
I understand that every student selected to receive a Partnerships Bursary must sign a return service contract which commits the student to live and work in northern Alberta upon graduation. Return service is one full-time month (or equivalent) for each \$500 of total bursary support, for example: 12 full-time months for a combined \$6,000 bursary. Innovation and Advanced Education will sign a contract with all bursary recipients. Sponsors may also sign a contract with the student for employment with the sponsor.			
Check if applicable: <input type="checkbox"/> I, the Sponsor, will hold a return service contract (a copy of the signed contract is attached).			
SPONSOR AUTHORIZATION			
I have read the above and understand the student's application will be screened by the NADC and Innovation and Advanced Education. The student may not receive the NADC portion of the Bursary Partnerships award if the student does not meet all of the above criteria. I also understand that it is the responsibility of the Sponsor to verify with Revenue Canada if the sponsor will have to provide the student with a T4A for the sponsor's portion of the bursary and to do so if necessary.
